The claim raised by the petitioner is for assessment promotion to the post of Scientist F. This claim is on the basis that since once she has attained eligibility to be considered, the respondents are bound to consider her case for assessment promotion. At this stage I do not propose to enter into the merits of the case. The petitioner has produced Ext. P4, a representation stated to have been filed by her to the 2nd respondent and it is submitted that orders have not been passed thereon. If Ext. P4 has been received and is pending with the 2nd respondent I direct the 2nd respondent to consider the request of the petitioner as contained therein. Orders on Ext. P4 shall be passed within a period of four weeks from the date of receipt of a copy of this judgment.

With this direction the writ petition is disposed of.

ANTONY DOMINIC
JUDGE
